Number 83

Fall Issue

November 2022

**G**reetings! It was so nice to see all those who were able to attend the 2022 Baumberger Scholar Summer Send-off in July! It was a great opportunity to get caught up, meet each other, complete a service project for the children at Haven for Hope, win great door prizes, and end the evening with free video games!

Welcome back to our returning scholars and welcome aboard to our new scholars! We take pride in your accomplishments that you are one of 256 Baumberger Scholars who received stipends aggregating \$747,500 to attend 21 institutions in Texas this fall.

Congratulations to all the Baumberger Scholars who graduated this past year! Did you know, the national average of students graduating from college is 60%? The average for Baumberger Scholars graduating from college is 85%! This just goes to show that we have exceptional students who have worked hard and paved their way to turning their dream into a reality. We are proud of all of you!

**In May 2023, you will receive an email requesting you to begin your renewal process and it will enable you to log in at any time to update your information in the online portal.** Please make sure we have your current email address and that [baumendow@gmail.com](mailto:baumendow@gmail.com) and [noreply@mail.smapply.net](mailto:noreply@mail.smapply.net) is in your email contact list so it does not get sent to your spam folder. This will allow you to complete your renewal and upload the necessary forms required by the **June 1, 2023 deadline.**

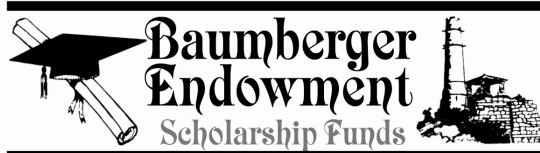

We would like to express our sympathy and support to all scholars who have experienced loss of loved ones or faced personal hardships during the past year.

Please call or email me if you have any questions or special needs. We are here to support you.

Sincerely,  
Cynde Zietlow  
Executive Director

## ★ Important Information ★

- If you are contemplating **studying abroad** during a traditional fall or spring semester, you **MUST** discuss this with the Executive Director before participating or risk losing your scholarship.

The Fall 2022 *Baumberger Bulletin* is dedicated to the memory of **Caleb Joseph Keller** (2000-22). Caleb was a 2018 Baumberger Scholar who graduated from Harlandale High School and attended Texas State University, where he was currently studying Music Education and Performance. Caleb fought a rare form of leukemia but never gave up his faith. He exuded confidence and gratitude during every phone call we had. Caleb Keller left a lasting impression on everyone he encountered; he will be deeply missed.

### Our Newest Scholars

There were 75 new scholars who accepted the Baumberger Scholarship this fall. Of those selected, 43 are female and 32 are male, they are graduates of 39 high schools. We are proud to have you as part of our Baumberger family!

### Student Status

Congratulations are due the 46 Baumberger Scholars who received bachelor degrees in May/August 2022. At the September meeting Baumberger Trustees took special note that many students graduated with honors and the degree fields were broadly represented.

All students should strive to pass at least the minimum credit hours and meet minimum grade expectations. (Please refer to "Conditions" Item 3 in your portal account of the 2022-23 Terms and Conditions.) If you do not complete at least 12 undergraduate hours this fall, you must make up credit hours during the next spring semester. Summer school attendance (2022 or 2023) will not be considered in evaluations of progress for the 9-month academic year 2022-23. The review committee does not consider your credits by exam or advanced placement in evaluating progress.
